

New Attempts To Approve Tax Cuts Defeated By Senate

Tax Revision Bill May Be Okayed Today

WASHINGTON (AP)—Majority Leader Knowland (R-Calif) at 11:30 last night abandoned hope of passing the omnibus tax revision bill before today.

WASHINGTON (AP)—The Senate struck down yesterday, by a 50-33 vote, an 11th hour move to give every taxpayer a \$20 reduction on his tax bill.

IT WAS THE third time in two days that the idea of general tax relief was rejected. The prevailing argument was that the government needs the money.

In another roll call vote, the Senate took out of the general tax revision bill the most important part of an administration plan to give special relief to taxpayers who get part of their income from dividends. The vote was a lopsided 71-33.

Here, again, the government's need for revenue was cited. Another argument was summed up by Sen. Dworshak (R-Idaho), a candidate for reelection:

"THIS IS NOT the time for it, when we cannot do anything for the wage earner."

Those voting on the amendment to whittle down the benefit for dividend income included 30 senators whose terms expire at the end of this year. Of these, 27 voted for the amendment and 3 against it.

This amendment was offered by Sen. Edwin C. Johnson (D-Colo) who, incidentally, is not a candidate for re-election. It would eliminate a section under which taxpayers could deduct 5 per cent of their dividend income from their tax bill. It would leave in a section by which they could figure the first \$50 of dividends as tax-free.

DEMOCRATS assailed the proposed dividend treatment as special treatment for the wealthy. Republicans said it was a proper device to encourage the flow of money into stocks so that the economy would be strengthened by job-creating industrial and commercial expansion.

Johnson, arguing for his amendment, said that six billion dollars of income tax relief has already been granted this year, and that the Treasury could not afford to lose more.

Sen. Williams (R-Del) took a similar stand.

THERE WASN'T any sustained defense of the dividend plan and Chairman Millikin (R-Colo) of the Finance Committee offered to accept its scrapping without a vote.

However, roll call was demanded to put the Senate on record before a conference committee tackles the job of adjusting Senate and House tax legislation.

Flood Toll Mounts; Loss Hits Millions

EAGLE PASS, TEX. (AP)—The south Texas borderland where 55 are known dead and 90 are missing in the greatest Rio Grande flood in history yesterday was declared a major disaster area.

The count of the dead and missing continued in the crumpled desolation that once was Piedras Negras, Mexico, a city of 35,000 across the river, while the historic crest of the Rio Grande rolled on 150 miles downstream.

The Mexican army surgeon general, Lt. Col. Salvador Hernandez Vela, said the death count at Piedras Negras alone still stood officially at 38, and 90 were known to be missing—and still there was no way of knowing how many bodies floated down the river into the anonymity from which they had come.

MEXICAN ARMY Maj. Rojelio Montemayor said there could be as many as 400 missing because so many Mexican farm laborers were at the border waiting to get jobs in Texas.

Damage ran high into the millions, but no one in authority would offer an estimate. The cost of five bridges wrecked at Laredo, Eagle Pass and Del Rio alone was well above five million dollars.

Shrine Installs Frank S. Lands As Potentate

ATLANTIC CITY, N. J. (AP)—Frank S. Lands of Kansas City, Mo., was installed in oriental splendor last night as imperial potentate of the Ancient Arabic Order Nobles of the Mystic Shrine.

and succeeds Remmie L. Arnold of Petersburg, Va., as top officer of the 700,000-member fraternal order. He will serve for one year.

Twelve other officers were installed with Lands to make up the new Imperial Council Divan. The hour-long ceremonies were held in Convention Hall while thousands of red-fezzed shriners watched.

Then came a giant illuminated night parade in honor of the new imperial potentate.

Later the council voted to hold the 1955 convention in Chicago next June.

Big Producer Hikes Steel \$3 Per Ton

PITTSBURGH (AP)—The nation's biggest steel producer, U. S. Steel Corp., boosted the price of steel \$3 a ton yesterday to offset a wage increase in its new labor contract.

Just what effect the increase will have on the average American is still unanswered. Most manufacturers of products made of steel are inclined to think the price boost will not be passed on to the consumer.

Hard days have fallen on some manufacturers of automobiles, home appliances, farm equipment and many other industries using steel. Their sales already are off.

MOST manufacturers, however, declined to comment immediately on the effect of increased steel prices.

Clifford F. Hood, U. S. Steel president, said the price hike will be put into effect as soon as cost production lists can be prepared. That is expected to take only a few days.

Basic carbon steel, the cheapest grade made, is now selling for \$120 a ton at the mill.

MOST of the nation's big steel producers are expected to fall in line quickly and announce price increases similar to U. S. Steel's.

Classmates Win State Scholarships

EAST Stroudsburg High School students won both the Monroe and Pike County State scholarship examination competitions this year.

It's an unusual twist and it came about this way:

Jere Young is the son of Mr. and Mrs. Herbert Young, Dingmans Ferry. Jere is legally listed as a resident of Pike County.

HE ATTENDED East Stroudsburg school however. When time came to take the State exams, Jere was required by law to take the test in his resident county.

This week, according to East Stroudsburg Principal Ralph Burrows, Young was notified he had won the Pike County competition, placing highest on the list.

THE MONROE County exam competition was won by Sidney Joel Heller, Green St., East Stroudsburg. Both boys were members of the borough graduation class this year.

Young has a full-tuition scholarship to the University of Pennsylvania and will attend that school this fall.

Portland Erects Sign Telling Motorists How To Avoid Toll

PORTLAND—A \$550 sign telling motorists to follow the Pennsylvania side of the Delaware River to Stroudsburg and avoid 50 cents in toll charges was completed near here yesterday.

Ordered constructed by the local Board of Trade the sign is the second erected within a week to steer cars away from the Portland-Columbia and Delaware Water Gap spans of the Delaware River Joint Toll Bridge Commission.

LIKE DELAWARE Water Gap merchants, businessmen here complain the new bridges are taking revenue away from the towns. The signs are expected to bring more traffic through the communities main thoroughfares.

Board of Trade members complain many motorists are confused by highway signs sending them over the bridge into New Jersey on Route 61, then north along the Delaware to the Gap bridge and back into Pennsylvania.

Located 0.9 miles from the Portland cut-off on the new bridge approach here, the sign finished yesterday is 12 by 24 feet and well constructed; large metal and wooden braces buried in concrete afford solid footing.

THE BOARD of Trade planned the project a year ago as workmen neared completion of the \$4.5 million toll bridge. Property was acquired from Elizabeth Frutchey on Route 61 in Mount Bethel, southwest of here.

The sign reads: "Toll Free, Scenic Route, Alternate 61, Portland, Water Gap, Stroudsburg and the Poconos."

"Scenic Route" stands out in large red letters, with the words "Toll Free" in black heading the white background sign. To the right is a yellow and black map with arrows showing motorists how to turn off the new bridge approach to enter Alternate 61 and drive into Portland.

ONE MOTORIST said yesterday she felt the sign contained too many words. "You really have to stop a minute to take everything in," she said.

James Weidman, chairman of the sign project indicated several smaller signs may be erected later, closer to the bridge entrance, advising motorists the turn-off is drawing near. Clifford Sebring of Mt. Bethel served as co-chairman of the committee with Weidman.

Over the Memorial Day weekend, 15,436 vehicles crossed the toll span here. Toll rates range from 25 cents for passenger cars to \$1 for heavy trucks. Commutation tickets also are available to motorists at five cents each, sold in books of 20 tickets for \$1.

GUNFIRE Flares Along Border

JERUSALEM (AP)—Gunfire roared along the tense Israel-Jordan border in this divided city again late yesterday. The U. N. Armistice Commission redoubled efforts undertaken just after the shooting began Wednesday to put in force an "unconditional and sincere ceasefire."

Just before midnight a general ceasefire ordered by the U. N. Mixed Armistice Commission appeared to be in operation.

Sporadic mortar, machine gun and rifle exchanges earlier had harried the border territory.

Shouts Down Eisenhower's Farm Proposal

By Wilnot Hercher

WASHINGTON (AP)—The House refused to accept the administration's flexible system of farm price supports yesterday but voted 179-164 for a compromise plan which would support basic commodities at from 82½ to 90 per cent parity.

Both actions in the big farm fight were tentative and subject to reconsideration when the House takes final action on its general agricultural bill today.

PRESIDENT Eisenhower's program for supporting the main crops on a sliding scale ranging from 75 to 90 per cent of parity was shouted down on a voice vote.

But GOP leaders succeeded in putting across their last-minute compromise after intimating it was an alternative to a presidential veto of farm legislation this year.

Rep. Halleck of Indiana, the Republican House leader, appealed to members to go along with the middle-of-the-road approach "as the first step to get away from high, rigid price supports put on in wartime."

MANY FARM state legislators want another year of 90 per cent supports for the nation's six basic crops.

The standing vote on the compromise, which was not recorded, went surprisingly along party lines, with only about 20 Republicans opposing it and about the same number of Democrats favoring it. Rep. Harrison (R-Neb) was the sponsor of the amendment.

Before the vote was taken, Halleck warned advocates of high price props that they would have to take the responsibility for public indignation if farm surpluses continued to pile up in unmanageable quantities.

CHAIRMAN HOPE (R-Kan) of the House Agriculture Committee, who spearheaded the fight for a continuation of 90 per cent supports, said he was surprised by the outcome. "I thought we were making some headway," he commented.

Parity is a standard for fixing farm prices, declared by law to be fair to the farmer in relation to the cost of basic things he buys.

Hope told reporters he thought there was a "good chance" of reversing the decision on the compromise when the House begins a series of rollcall votes today. He said he expected to pick up some support from the 92 members who were not voting yesterday. Rep. Wickham (D-Okla.), predicted flatly that yesterday's vote "will be reversed."

BIT SPEAKER Martin of Massachusetts said the result would remain as it is.

Democratic House Leader Rayburn of Texas attacked the compromise bitterly in the debate, saying he could see no difference "between murder and manslaughter."

"You can't kill this little by bringing in 82½ per cent," he said.

John G. Pew, Retired Ship Builder, Dies

MEDIA (AP)—John G. Pew, 83, retired president of the Sun Shipbuilding and Drydock Co., Chester, Pa., died yesterday at his home here.

Pew, who retired as the shipbuilding company's president in 1950 after serving 31 years, had complained of not feeling well shortly before he died.

A native of Mercer, Pa., he was associated with the Peoples Gas Co., Pittsburgh, and the Sun Oil Co., before going with Sun Ship in 1919.

A widely known industrialist, he also was noted for his philanthropic work in Chester and Philadelphia. He was in previous years active in Republican affairs.

Anti-Red Leaders Resolve Differences In Guatemala With U.S. Envoy As Mediator

SAN SALVADOR, EL SALVADOR (AP)—There were indications last night that U. S. Ambassador John E. Peurifoy had patched up the differences between the two rival anti-Communist regimes of Guatemala.

The ambassador flew here from Guatemala yesterday in the role of peacemaker between Col. Castillo Armas, leader of the short anti-Communist invasion, and Col. Eliezer Monzon, head of the new military junta who are trying to agree on a new government—the fourth in a week.

After conferring separately with the two colonels, Peurifoy announced they would issue a joint statement shortly.

It was announced that he would talk with them together, with Papal Nuncio Gennaro Verolino participating in the meeting.

They were working under a cease-fire deadline—which they had agreed should be extended to 9 a. m. today.

They resumed their talks yesterday after a futile all-night session which broke up at 3:55 a. m. Shortly before Peurifoy arrived and went to Presidential House, they recessed their talks at noon in order to rest.

Authoritative sources said it was virtually agreed that Castillo Armas would head the new regime being considered here, but a major difference had arisen over control of the armed forces.

Senate Approves Extension Of Statute Of Limitations To Aid Housing Inquiry

WASHINGTON (AP)—The Senate voted last night to extend the statute of limitations to make it easier to prosecute any criminal offenders uncovered in the multi-million dollar housing scandals.

On the motion of Sen. Williams (R-Del), the chamber approved by a voice vote an amendment to the tax revision bill prolonging from three to five years the time in which prosecutions may be started.

Earlier in the day, senators delved into alleged high jinks behind big government-guaranteed housing loans. The senatorial questions dealt with such things as "girlie" parties, free fishing trips to Mexico and high stakes gambling.

WILLIAMS said the extra two years also would apply to other serious federal offenses, such as bank robberies.

He read a letter from Asst. Atty. Gen. Warren Olney III saying a longer period often is needed to prosecute cases because often it is several years before the violation is exposed.

The amendment is subject to approval of a Senate-House conference on the tax bill and then final approval by Senate and House.

SEN. CAPEHART (R-Ind), chairman of the Senate Banking committee which is probing charges that apartment builders reaped big profits through inflated loans, told the Senate it will be shocked by coming revelations of "millions and millions of dollars of profits, maladministration and loose laws."

The subject of girlie parties—Committee Counsel William Simon told newsmen one of them lasted two days—was brought up in a series of questions put during yesterday morning's public hearing to Andrew Frost, who was suspended last Friday from his job with the Federal Housing Administration.

Frost, 43, appeared without counsel at the Senate Banking committee's investigation of alleged collusion between some building contractors and housing officials.

HE ANSWERED questions readily about his service with the housing agency until they began to deal with fishing trips and girls. Then he invoked his constitutional right not to give testimony that might be self-incriminating, as Chairman Capehart assured him he had "a perfect right" to do.

Frost then joined Clyde L. Powell, former assistant FHA commissioner for rental housing, who twice has declined to answer questions before the committee.

Sen. Byrd (D-Va) says it was Powell's gambling losses that "first attracted the attention of the FBI" and led to a series of scandals that left the agency shorn of many of its top officials.

Truman Getting Stronger Daily

KANSAS CITY (AP)—Harry S. Truman was reported still improving yesterday and the former President backed it up with his own statement, "I feel I am getting stronger every day."

Robert E. Adams, acting hospital administrator, said the 70-year-old patient spent a "very restful night" and that his temperature continues normal.

Adams told newsmen Truman was taking medication by mouth and taking more food by mouth. He also said that Truman is not receiving intravenous feedings.

Adams said the patient had no nausea and that his hiccoughs had essentially ceased.

Final Victory For Reds Seems Near At Hand

Editor's Note—Tight censorship prevails in Hanoi, key point in defense of northern Indochina's Red River Delta. Larry Allen, who has been covering the Indochina fighting for two years on the spot, is in Singapore free of censorship.)

By Larry Allen

SINGAPORE (AP)—French troops have abandoned a major portion of the Red River Delta in Indochina. Completion of their withdrawal will leave 60 per cent of the rice-rich delta in the hands of the Communist-led Vietminh and put four million additional Vietnamese under Red control.

With abandonment of the southern sectors of the delta, including four major French posts, the end of the almost 8-year-old war appeared not far off. This could come either by military defeat or a negotiated ceasefire.

A FRENCH army spokesman in Hanoi, key point in the Delta's defense, said yesterday the giving up of thousands of square miles of the richest rice lands in Indochina without a fight was directed by defense needs.

He said the withdrawing troops were needed in the northern and central Delta zones to protect Hanoi and the vital Hanoi-Haiphong rail and highway supply lines from possible attack by "six Vietminh divisions massed on the Delta borders." These are in addition to 100,000 Vietminh already infiltrated into the Delta.

THIS SITUATION could presage a "Dunkerque" at the northern seaport of Haiphong if the French are unable to hold Hanoi.

Vietnamese political leaders assailed the withdrawal as a complete sell-out to the Vietminh. The French denied it.

But many, and probably most, of the Vietnamese people in this area are likely more in sympathy with the Vietminh than with the French or the Vietnamese politicians.

THE TROOP withdrawals began Tuesday after a week or air evacuations of military families, French and some Vietnamese civilians. But it was not until yesterday that the French permitted the news to come through their tight military censorship.

Points from which the French said they were pulling out include such important and heavily populated centers as Phat Diem, Thai Binh, Nam Dinh, and Nin Binh, all 45 to 70 miles south and southeast of Hanoi. Phat Diem province is predominantly Roman Catholic.

REPORTS FROM Hanoi yesterday said hundreds of French convoys trucks sent up huge columns of dust as troops and supplies moved northward from Nam Dinh to the French fortress of Phu Ly, 30 miles south of Hanoi.

The Nam Dinh airstrip was a merry-go-round of Dakota transport planes, landing empty and taking off with loads of civilians and wives and children of Vietnamese soldiers.

Accused Bandit Is Apprehended At Allentown

PHILADELPHIA (AP)—William E. Malunney, 41, Pittsburgh, was held in \$10,000 bail in Lehigh County jail yesterday for further hearing following his apprehension on charges of bank robbery.

Malunney, along with two companions now lodged in a Pittsburgh jail, are charged with slugging and robbing Joseph Bondi, 18, a Washington Trust Co. bank messenger as he attempted to deliver a \$23,000 payroll to Mercy Hospital in Pittsburgh June 4. The other two men, both held in \$10,000 bail, are Michael J. Bulsak, 40, and Martin F. Toner, 39.

The Federal Bureau of Investigation here announced yesterday it had captured Malunney without a fight in front of an Allentown apartment house in which he had been rooming.

Mrs. Levy, 55, Succumbs In Florida

MRS. ELIZABETH LEVY, wife of Horace Levy, of 907 Main St., Stroudsburg, and Brewton, Ala., died at 11 p.m. Wednesday in the Baptist Hospital, Pensacola, Fla.

Mrs. Levy, who had been ill one week, was 55 years old.

She was born in Stroudsburg and spent all her life here except for winter months the past 15 years when she resided in Brewton, Ala.

Mrs. Levy was a member of Stroudsburg Presbyterian Church and the auxiliary to George N. Kemp Post, American Legion.

BESIDES her husband, she is survived by a daughter, Jeanette, wife of Claudius Goodman of Stroudsburg and Brewton, Ala.; six grandchildren; two sisters, Mrs. Frances Goodell, Fort Collins, Colo.; Mrs. Edwin Stroud, Rochester, N. Y.

Funeral services will be held at 2 p.m. Sunday in the late home at 907 Main St. Interment will be in Laurelwood Cemetery. Friends may call at the late home Saturday after 7 p.m.

Rev. David C. Newquist, Shawnee Presbyterian Church, will conduct services.

Police Hold Youth On Theft Count

MILFORD—State police here are holding a 17-year youth for FBI agents on a charge of stealing a light pickup truck in Oklahoma and transporting it across state lines.

Troopers stopped the truck late Thursday night on Rt. 6 when they became suspicious of improvised license plates. Investigation revealed the driver, identified as William D. Green, was operating a stolen vehicle.

Police also detained a passenger but indicated he had no connection with Green. A merchant seaman, the man told police he hitch-hiked a ride near Allentown and was unaware the truck was stolen.

FBI men questioned Green and the seaman last night. Both were held at the county jail last night as State police and Federal men continued investigation. Date for arraignment has not yet been set.

Collision Occurs At Intersection

TWO VEHICLES collided at Ninth and Main Sts. in Stroudsburg yesterday, resulting in about \$30 damages.

Stroudsburg police said Robert A. Buntz, of Shavertown, attempted to turn right into Ninth St. as an A. B. Wyckoff delivery truck operated by C. Irvin Price, 1085 W. Main St., was making a turn there. The Buntz car struck the Wyckoff vehicle, damaging the truck.

Donald Garaventi Awarded \$1,000 Lehigh Scholarship

DONALD GARAVENTI, son of Mr. and Mrs. H. A. Garaventi, 215 N. Ninth St., Stroudsburg, yesterday received a \$1,000 yearly scholarship to Lehigh University.

Garaventi had previously been awarded the \$700 yearly trustee scholarship given by the university. The present scholarship replaces the prior award. Garaventi is a 1954 graduate of Stroudsburg High School.

The new scholarship pays \$1,000 per year. It is renewable on the basis of scholastic standing for the full four-year college course at Lehigh.

GARAVENTI was also identified yesterday as the winner of a full four-year Naval Reserve Officers Training Corps scholarship to any Naval accredited school of his choice. When applying for that scholarship the local youth had specified Rochester University as his choice.

He will attend Lehigh, however. Garaventi said yesterday, since that school offers more training in the specialized field he wishes to enter eventually.

THE NEW Lehigh scholarship has been set up by Modern Transfer Co., an Allentown trucking firm. When it became available, university sources said, it was immediately decided to change Garaventi's scholarship to the new one offering more money per year.

In the NROTC scholarship competition, Garaventi competed with high school and college students from all over Pennsylvania. Only one in every 2,000 students competing is awarded a scholarship or alternate, according to Samuel Wells, assistant supervising principal of the local high school.

Minor Damages Caused By Crash

ATTEMPTING to avoid a collision with an oncoming truck, a Stroudsburg woman backed her car into a parked automobile on Fetherman St. at 2:15 p.m. yesterday, resulting in \$50 damage.

Stroudsburg police said Lizzie Spring, 1204 W. Main St., told them a truck turned into Fetherman St. from Dreher Ave. as she was traveling south. Her car struck the parked car of Lila Weber, 809 Scott St., damaging the Weber car.

Girl To Be Selected "Miss Pocono" In Junior Jinx Contest

Eliminations To Determine Area Winner

SHAWNEE INN and The Daily Record are going to cooperate in searching for a Miss Pocono to represent this area in the finals of the "Junior Jinx" contest being conducted by the National Broadcasting Co. and sponsored by Tex and Jinx McCrary of radio and TV fame.

The contest is to find a very special young lady who is interested in a radio-TV career. She has to live up to some pretty high standards, must be under 21 years of age (married or single), good looking enough to model, sports-minded enough to play or learn to play tennis and swim gracefully, poised enough to wear fashionable clothes, and she must have the enthusiasm, intelligence and curiosity necessary to be trained as a television reporter.

A FLYING start in a radio-TV career, with a contract for personal appearances, worth at least five thousand dollars in a one-year period, and a two-week all-expense paid vacation to El Rancho Vegas via TWA will be awarded the winner of the "Junior Jinx" contest finals.

Eliminations to select Miss Pocono will be held at Shawnee Inn Saturday, Aug. 7. The girl selected to represent the Pocono area will then be eligible to compete in the finals with nine other district winners on Sept. 12 before an expected crowd of 85,000 persons at the Long Island Hospital Star Night, one of the nation's largest entertainment events held annually on Long Island and featuring the country's top stage and TV stars.

TEX AND JINX McCrary will feature the winner on their radio and television shows and personally promote her career. This girl will in fact and in name be a "Junior Jinx," but she will have in a few weeks time the opportunities and public showing that Jinx Falkenberg McCrary worked for years to attain.

MISS FLORENCE STAPLES, of Troy, N. Y., has been visiting her sister, Mrs. Robert Kistler of Stroudsburg. When she returns to Troy her sister plans to accompany her and join her son-in-law and daughter there for a fishing trip to Canada. Miss Staples visited a brother-in-law, John Bedford, over the weekend. Miss Staples and Bedford were Sunday dinner guests at the home of Miss Nellie Burd and spent Monday night with Mrs. Clara Keller.

Mr. and Mrs. M. E. Leffler and their son-in-law and daughter, Mr. and Mrs. Jacob Martin, of Long Island, N. Y., had dinner Sunday in Bangor with the former's son-in-law and daughter, Mr. and Mrs. Frank Rosato.

Mrs. Rena Merwine, of East Stroudsburg, entertained Mrs. Clyde Jewel, of Bangor, and Mrs. Harvey Rotzel, of Water Gap, Monday.

Heat, Drought Put Damper On Bass Opener

A STEAM-HEATED fishing season opened yesterday with few Monroe fishermen doing much about it.

Fish Warden Floyd Bachman laid the poor opener to lakes and streams laid low by drought, and to summer heat which made fishing too sultry for comfort.

The season is open now on black bass, pike, perch, pickerel, muskellunge, and runs until midnight of Nov. 30. Legal minimum for black bass is nine inches, and one day's catch as well as the possession limit at any time is six fish.

DESPITE the small number of fishermen, Bachman came on some fair catches. Harry Elliot, of Allentown, went home with a 5.5 pound bass from Brown's Lake.

John Sarna, of Freeland, caught a four pounder in the same place. Wilmer Moyer, of Macungie, landed a 4.5 pound bass at Naomi Falls. William Simonsky reeled in a six pound bass before leaving Naomi Falls for his home at Throop.

A turtle with two heads, kept as a curiosity by the Fish and Wildlife Service often staged fights between the two heads for food.

New Officers Installed By Pocono Lions

POCONO SUMMIT — Robert Youngken was installed as president of the Pocono Lions Club at Naomi Lake Boat House near here Wednesday night. Also installed were:

Edward Judge, first vice president; Willis Dunlap, second vice president; Franklin Smith, third vice president; W. Walker Seeley, secretary; James Hoffman Jr., treasurer; John F. DeSanto, tail twister; Thomas Sables, Lion tamer; and DeSanto, Charles Jamex, Claude Bush, William Lewis and

Joseph Williams, directors.

Retiring president James conducted the meeting following the dinner catered by club member Hoffman.

IT WAS announced that 100 per cent membership was in attendance.

DeSanto served as program chairman.

Next meeting was scheduled for July 21 at Johnnie's Pocono Summit Inn. It is anticipated that all other summer meetings will be held in various parks in the region.

Musicians All Enthused As They Go Through First Rehearsal Under Direction Of Roth

UNTIL LAST week a district-wide Monroe County Band was a pleasant notion without much noise behind it.

Tuesday night at Stroudsburg Municipal building, that changed. A core of 35 starting members listened to the man in front of them.

"Play the march you know best," he said amiably.

IT WAS an easy choice. The 35 picked up their instruments and launched into "Washington Post March."

"We played about three notes before he stopped us," said trumpet-playing Victor Koch of Stroudsburg, the band president. For the next two hours Allan Roth of Stroudsburg RD began to give the amateur handsomen some of the lowdown acquired in 29 years as a writer, musician, arranger and band leader on TV, radio, movies and the hotel circuit.

WHEN the rehearsal was breaking up, Sam Lee of Stroudsburg started dismantling his bass drum. "I got more out of those two hours of rehearsal than I have from many years of playing," he said.

Said Robert Shaw, Stroudsburg, putting away his clarinet, "I'd planned to leave early—but I got so enthused I forgot to."

Stroudsburg educator Earl F. Groner had a comment too, after watching the session: "This band could be something... and it would mean high school musicians could keep right on playing after graduation."

ROTH and the band lingered on to talk about future plans. Just back from the West Coast and a stint of movie work and several records, Roth said he was perfectly willing to give it the works if band members were equally willing to roll up their sleeves and bear down.

Sights were set on a 60-piece concert band with members recruited from all over Monroe County.

No age limit was set. Members could be six or 60 as long as they could play a horn, drum, or woodwind—especially woodwinds, the current weakspot.

FROM NOW on rehearsals will be at 8 p. m. Tuesdays and Fridays, at Stroudsburg High School auditorium.

Depending on local response, there are several plans being considered. A junior band is one, with members forming a beginning player pool from which finished bandmen may be drawn.

Associate band conductors are another possibility. Roth may train several of the players in the art of conducting, so that when he must fill commitments a conductor will still be available.

THE BAND is a non-profit organization. It intends to play for the enjoyment and education of its members and for the benefit of the community and its projects.

One of its chief aims is periodic band concerts solely for the pleasure of the community.

The band is not restricted to male members. Women and girls are invited. At present there are two—one a clarinetist, the other with a French horn.

OFFICERS, in addition to Koch, are Harold Van Why, vice president, and John Muller, secretary—both trumpeters—and bass-player Casey Drake, treasurer.

Mobile X-Ray Unit To Visit Foodhandlers, Plant Workers

A MOBILE CHEST X-ray unit will tour Monroe County from July 6 to July 16. The visit is designed primarily for foodhandlers and industrial workers.

The unit is provided by the Department of Health, Bureau of Tuberculosis Control in Harrisburg, according to Mrs. Estelle Fleming, executive secretary of the Monroe County Tuberculosis and Health Society. The local society has organized the visit and arranged with local factories, resorts and business places to allow stops for the unit.

Cooperative Wool Pool Set July 7

WOOL GROWERS from Monroe, Northampton and Lehigh Counties and many growers from New Jersey will cooperatively market their wool on Wednesday, July 7.

The directors of the wool pool, with the assistance of the extension service, said the wool will be loaded at the Lehigh & New England Railroad Station in Nazareth from 7 a. m. to 3 p. m.

A. L. Storm, Stroudsburg RD2, represents Monroe County on the Board of Directors. The wool will be graded and weighed and the various grades will then be packed in large wool bags and loaded into the cars. The wool will be graded by a livestock specialist from Penn State University.

Any wool grower in Monroe County can take his wool to this pool at the above time and place and automatically become a member of the cooperative wool pool for the next two years.

School Boards Forward New Plan To State

A REVISED Monroe County school plan has been forwarded to State by the county school board.

According to John C. Litts, superintendent of schools, the revision was made-at the request of Stroud township, Delaware Water Gap and Stroudsburg borough school boards.

The original plan called for a "jointure" of the three districts. The revised plan calls for a "union" district made up of the three.

The county plan is a recommended outline for combination of school districts all over Monroe County. In its revised version the plan has been forwarded to Dr. Ralph C. Swann, deputy superintendent of public instruction, Litts said.

Game Commission Bans Doe Season

State Agency Cites Reasons For Decision

HARRISBURG (AP)—The State Game Commission yesterday cited a "spotty" herd and an unworkable license distribution law in banning antlerless deer hunting in Pennsylvania for the second time in 10 years.

The commission declared two deer hunts for this fall, both on antlered or buck deer. Antlerless deer hunting has been permitted for the last five years during special one to three day seasons.

In 1954 bow and arrow hunters and gun users will be allowed the same 42 days of hunting as last year. The archer's season is Oct. 11 to Oct. 23 while the regular hunt begins Nov. 29 and ends Dec. 11. Hunting is illegal on Sunday.

AT THE same time the commission abandoned a tentative plan to allow bear hunting during the deer season and instead fixed a separate 12-day bear season, twice as long as 1953.

Organized sportsmen of Pennsylvania opposed both the suggested concurrent bear-deer hunt and open antlerless deer hunting in 1954.

Other changes in the 1954 regulations show a statewide open season on wild turkeys for the first time in history and the restoration of bobwhite quail to the legal game list after an absence of one season.

TWO 1953 innovations, a 7 a. m. (EST) start on the first day of the regular deer season and a Saturday opening for the small game season were carried over.

The seasons, with all opening dates, except for bear, identical to the tentative list announced in January: archer's deer—Oct. 11-23; buck deer—Nov. 29-Dec. 11; bear—Nov. 15-27; small game—Oct. 30-Nov. 27.

"The commission had two reasons for ruling out antlerless deer hunting this year," said Dr. Logan J. Bennett, executive director.

"ONE IS the spotty population of doe. The other is that neither the sportsmen, county treasurers nor the game commission found they could live with the present law for distribution of the special doe permits."

Under the law the special permits, allocated county-by-county by the commission, were sold for \$1.15 by county treasurers only. Last year sportsmen from almost every county complained of injustices in their issuance.

Last year's legal reported doe kill was 16,252, less than half the 1952 figure of 37,829 when the season was one day longer. The commission closed antlerless deer hunting in 1944 and 1948.

BENNETT emphasized that the concurrent bear-deer plan was designed to bring discussion only. "The longer season will reduce the bear population and get the job done," Bennett predicted.

All hunting hours except the first day of the small game season, are 7 a. m. to 5 p. m. (EST). Small game hunting begins two hours later.

Bag limits on ruffed grouse, ringneck pheasants (male), cottontail rabbits, squirrels, hares and beavers are the same as last year. The limit on turkey is one for the entire season while the quail limits were set as four for any one day and 12 for the season.

CLOSED seasons were maintained on Hungarian partridges, hen pheasants, sharp-tailed grouse, cub bears, elk, spike buck with antlers less than three inches, and otters.

Highway Department To Be Responsible For Damages To Mill Race During Bridge Work

STATE HIGHWAY Department said yesterday it would be responsible for any damages caused to the mill race in reconstruction of Fifth St. Bridge.

The information was in response to a letter written by county commissioners in which commissioners said the county would not assume responsibility for such damages.

Replied Chief Engineer C. H. Buckius: "The board of commissioners is correct in assuming that they are not responsible for any damages caused to the mill race. It is our understanding, of

course, that the board will pay all other property damages on this project."

THE COUNTY agreed to pay all property damage resulting from condemnation of land at the foot of Foxtown Hill, to be used for widening Route 611 at the south end of the bridge. These damages were estimated at \$2,300 by the State.

Commissioners had pointed out to the State that Frisbie Lumber Co. has a dam in the creek and a raceway running from the dam to its property. Holland Thread

Co. is entitled to be furnished water by the lumber company. The county had told the State any damages resulting from condemnation of the water or water rights would not be paid by the county.

W. ADOLPH RAKE, co-contractor on the job with Gershom Litts, said last night that in the coming week workmen will be preparing footings for the bridge and getting ready to pour concrete.

Katherine Pontius Retires As College Supervisor Of Health, Physical Education

MISS KATHERINE PONTIUS, 216 Normal St., East Stroudsburg, is retiring from her post as supervisor of health and physical education at State Teachers College.

Miss Pontius has been teaching in the local college the past 29 years. Only three other teachers have been with the college longer. She holds a Bachelor of Arts degree from Hood College in Frederick, Md., and a Master of Arts degree from Columbia University Teachers College, New York City. She now has 63 credits toward her doctorate.

PRIOR TO HER term of service at State Teachers College, Miss Pontius taught in public schools in Butler, Pittsburgh and Lehigh. She became associated with the State Teachers College health and physical education staff in June, 1925.

She held the rank of associate professor at the local college. Work done by Miss Pontius during the past 29 years was praised highly by Dr. Joseph F. Noonan in accepting her resignation from the staff.

SHE WAS especially commended for her work in setting up a definite curriculum for guidance in the field of physical education teaching. She has written two "outlines" on this subject which have been widely used.

Although she has "loved teaching at the college," retirement is going to give Miss Pontius a chance to relax and live slowly. "I'm going to learn to live without the routine of everyday working. After all these years of having time allocated closely, I intend to just learn to live at a slow pace and be a neighbor," she says.

The "travel" Miss Pontius talks about may include a leisurely trip across America, a tour of the Canadian Rockies and a trip abroad.

ON THAT LATTER trip she wants to have "lots of time." Miss Pontius feels that sightseeing should be done well and thoroughly or not at all.

According to her fellow teachers the same painstaking, time-consuming philosophy has marked her professional career.

A 49-year-old New York woman educator was named yesterday as Miss Pontius' successor by Dr. Noonan and the college board of trustees. She is Isabel M. Nagel, 400 W. 118th St., New York City, whose appointment to the local position was approved this week by the State Department of Public Instruction.

MISS NAGEL holds a Bachelor of Science degree from Ithaca College, N. Y.; a Master of Arts degree from Columbia University Teachers College and a Doctor of Education degree from the same college.

She has taught since 1925 in the Buffalo, N. Y. public schools; has also taught at Horace Mann High School in New York and as an assistant in modern dancing and

Miss Katherine Pontius

Playhouse To Observe Anniversary

MOUNTAINHOME — Pocono Playhouse celebrates its eighth birthday Monday night when "Glad Tidings" opens its one-week run.

The annual birthday party has established itself as a playhouse tradition among local residents. This year, as part of the generally festive atmosphere, Rowena Stevens, owner-producer of the theater, will present prizes to two different persons in the audience.

First prize on the birthday party schedule is a season ticket, good for the remainder of the 1954 Playhouse performances. Second prize will be a pair of tickets for the opening night performance of "The Show Off" featuring Joe E. Brown, according to Dixie Lee, Playhouse press agent.

All first-nighters will be invited to stay for the birthday party following the show, Miss Lee said.

Starring in "Glad Tidings" are Signe Hasso and Neil Hamilton. Miss Hasso will be remembered for her appearance at the Playhouse two seasons ago in "Love From A Stranger."

Conference Scheduled At Church

THE BETH-STROUD Bible Conference will open tomorrow at Bethel A. M. E. Church, Stroudsburg under the theme "A Living Christ For A Dying World."

Rev. George Wolfe is host pastor for the services which will continue Sunday and Monday, C. W. Woodson of Bethel A. M. E. is local chairman.

Saturday's services open with the Bible Club movement and at noon Rev. W. Nottage of the Ebenezer Church will speak and the choir of that church will sing. There will be a dinner at 3:30 p.m.

At 7 p.m. there will be a prayer service and consecration by the prayer band. At 7:30 p.m. Evangelist Billy Nelson and the Truth Seekers will conduct a Bible study hour.

Mr. Nelson will tell a story of prison and hospital ministry.

Benefit Show Slated Tonight

DELAWARE WATER GAP — Plaudits still are being heard in Monroe County for Baron Rinehart's "Little Theater" which staged its second benefit puppet show here Wednesday and has another slated for 8:45 tonight.

Rinehart constructed the miniature theater on the lawn adjoining his Oak St. home. His first production, a three-nighter, benefited the Presbyterian Church. This week's show, entirely new, edmarks proceeds to the Cub Scouts of this borough.

Featured tonight will be "The Sunken Treasure", a playlet written by Rinehart. Second half of the show is of a musical variety nature.

Lancaster Cattle

Lancaster (AP) Cattle 717, records moderate demand, fair prices slowly. Cows 68 receipts, liberal, 1.00-2.00 lower. Hogs 10 receipts very light, mostly 26.00-27.25, select's higher. Sheep 25, show on all grades.

EARL F. GRONER, third from right, new president of Stroudsburg Rotary Club receives gavel from Jesse Flory, retiring president as other officers watch. Left to right are John Wilson, treasurer; Theodore Hoffman, second vice president; Flory, William Toewe, secretary; Groner, Warren Mikels, director and Joseph Small, first vice president.

To The Editor:

Remember the poem "No Body Home"? No? Well, I am sure the boys in the Old Company "G", our own pride and joy, won't ever forget it.

Company "G", 109th Infantry, was at the late August field training for combat fighting in the State of New York. I remember the reactions of the Officers and Enlisted Men there when we were informed that we might be held there for a year's training. "1940-Remember?" Company "G" trained for combat under the worst conditions, not enough equipment or trucks to even make a good fight against the Indians if they had been on the War Path. Company G, 109th Infantry, PNG, didn't let you down then or in World War II, which so quickly followed after December 7, 1941, or Pearl Harbor being bombed.

On February 17, 1942, Company G was inducted into Federal Service or Active Duty. After a year's training in the States, Company G, 109th Infantry, was sent to Europe, taking part in the Invasion of France. Well, I am sure you remember their real spirit of fighting men then and later on. Let's not forget them that gave their lives for our safety in our homes here. Remember to help Company G, 109th Infantry, now.

Remember the old bit of logic? "Strength in Numbers, Strong in Spirit, Slumber in Safety." Company G, 109th Infantry, needs to build up a strong combat company now. Summer encampment will soon be calling for our Local Company G to go to Indiantown Gap, Employers of Citizen Soldiers.

Earl Groner Heads Rotary

EARL F. GRONER, superintendent of Stroudsburg schools, assumed the presidency of the Stroudsburg Rotary Club yesterday during the weekly dinner session in the Penn-Stroud Hotel.

Groner outlined plans for 1954-55 after Flory gave a review of past events. He also introduced new officers, including: Joseph Small, first vice president; Theodore Hoffman, second vice president; William Toewe, secretary; John Wilson, treasurer; Warren Mikels and J. L. Cohen, directors.

The same organization, takes the opposite stand? Or isn't Mr. Taylor's opinion backed up by the station?

Yours truly,
JOHN HAMILTON

Newfoundland Stock Theater Opens Monday

NEWFOUNDLAND — Haubert Playhouse, oldest summer stock theater in Northeastern Pennsylvania, opens its 29th season Monday night.

First attraction of the 1954 season will be "Mister Roberts". The stock group this year is known as the "Gotham Players", headed by C. E. Fulmer, producer-director who will also play the lead in the first production.

Fulmer has previously been seen in the role at the Smithtown, L. I. Playhouse in past seasons he has been associated with the Berkshire Playhouse.

"MISTER ROBERTS" deals with the life of the crew on a Navy cargo ship in the back waters of the Pacific during World War Two. It was adapted by Joshua Logan and Thomas Heggen from a novel by Hegen.

Other productions during the nine-week season will be "A Streetcar Named Desire" by Tennessee Williams; "Here Comes Mr. Jordan"; "Papa Is All"; Carson Kinnley's "Born Yesterday"; "Harvey" by Mary Chase; "Come Back Little Sheba" by William Inge; "The Happy Time" by Samuel Taylor and "Gigi" by Anita Loos, from a novel by Colette.

Other members of the company are Mike Casey, Dell Kilbourne.

Defendant Given Jail Sentence

GEORGE FULMER, 56, was ordered to spend 30 days in county jail on charges of being drunk and disorderly in Mount Pocono Sunday.

He pleaded guilty before Justice of the Peace Emma B. Merwin there.

Fulmer was arrested after thumbing his nose at passersby.

Lee Doyle, Tilden Walters, Chick McCollum, and Buzz Schleuteman.

RESERVATIONS may be made by calling Newfoundland 8302 until 7 p. m.; thereafter at Newfoundland 2211.

The productions alternate between Newfoundland and the Milford Playhouse. "Mister Roberts" will be seen at Milford on July 2, 3, 7, 8, 9 and 10. It plays the Haubert theater Monday and Tuesday.

Everitt Class Honors Charter Member Brodell

Miss Margaret L. Brodell, who retired Wednesday after 33 years service for the Bell Telephone Co. of Pennsylvania, was honored at the meeting of the A. F. Everitt class of St. John's Evangelical Church School Tuesday night.

Miss Brodell is one of the charter members of the class and has always been very active in the service of the group.

Mrs. Cora Albertson, on behalf of the class, presented Miss Brodell with a gift. A "Best Wishes" cake also featured during the social period in her honor.

Miss Brodell had been a supervisor at the telephone exchange for a number of years. She will leave shortly for Dallas, Pa., to make her home with her sister, Mrs. Alta Travis, who was at Tuesday night's meeting.

At the class business meeting, presided over by Mrs. Edna Bush, president, plans were made for joining with the church Brotherhood at a picnic outing at the Stroudsburg playground in August. No summer meetings of the class will be held.

Mrs. Bush named the following the Communion Committee: Mrs. Cecelia Hagerty, Mrs. Jean Kauter, Mrs. Miriam Kern and Mrs. Alvesta Dennis. Twenty-two members were in attendance at the meeting.

Mary Tucker Will Wed At Scot Run

Mr. and Mrs. Elmer Tucker, of Henryville, RD 1, have announced the approaching marriage of their daughter, Mary Elizabeth, to Ellwood Brink, son of Mrs. Lewis Brink.

The ceremony will take place Saturday in the Scotrun Lutheran Church at 2 p. m. A reception will be held immediately afterwards at Readers picnic grounds.

No invitations have been sent out, but all friends and relatives are invited to the ceremony and reception.

VFW Auxiliary Hears Nurse From Korea

The Veterans of Foreign Wars Auxiliary to Post 2540 had as their guests members of the Palmerton Auxiliary at the meeting this week at the VFW Home. One special guest was Elaine McClellan, a nurse who recently returned from active duty in Korea. Miss McClellan, a member of the Palmerton Auxiliary, showed slides of Korea and of Japan.

The guests were welcomed by Mrs. Margaret Goldy, president of the local auxiliary. She introduced Mrs. Sophie Greene, president of the Palmerton Auxiliary, who in turn introduced other Palmerton members. There was also a guest from Bethlehem Auxiliary No. 855.

During the business meeting, Mrs. Frances Rangberger, hospital chairman, announced that she plans to visit the Wilkes-Barre Veterans Hospital soon and will take with her books, puzzles or pocket novels which members wish to leave for her at the VFW Home.

Georgia Albertson gave the report of the successful carnival and benefit parties.

The auxiliary donated \$25 to the Salvation Army to be used to send children to camp, and Mrs. Goldy reported she had taken the auxiliaries gift of \$5 to the Marine Corps League Auxiliary state president at the tea.

Hazel Eilenberger and Clara Perry were awarded the attendance prize. Ellen Angle and Evelyn Zaccaro were reported ill. Following the meeting, a covered dish supper was served the members and their guests.

Mrs. John Difilippantonio

Wedding At St. Roch's W. Bangor

Bangor — Miss Gloria Louise Vanzella, daughter of Mr. and Mrs. John Vanzella, of 22 Ridge Ave., Pen Argyl, and John Difilippantonio, son of Mr. and Mrs. Joseph Difilippantonio 60 North Sixth St., Bangor, were married on Saturday, June 26, at St. Roch's Catholic Church West Bangor by Rev. James P. Gallagher.

Her bridal gown was of rose-point Chantilly lace and nylon tulle, over satin, with an illusion neckline, Peter Pan collar, and a bouffant skirt with lace panels ending in a cathedral length train of lace and tulle. Her headpiece was of pearls and sequins and she carried a prayerbook with a white orchid marker.

Her sister, Miss Olivia Vanzella, as maid of honor wore a gown of blue lace and nylon tulle and carried pink carnations. Miss Gloria Difilippantonio, sister of the bridegroom, was bridesmaid, and wore a similar gown of yellow. She carried blue carnations. William DeFebbo, of Martin's Creek was best man.

Mrs. John Williams was organist and Miss Pauline Aulizio was soloist.

The reception was held at the Blue Valley Farm Show Building. After a tour of the Southern States, the newlyweds will make their home in Martin's Creek. The bride attended Pen Argyl High School and the bridegroom Eastern High School. They are both employed at the Bangor Clothing Co.

Wash fresh coffee, tea, cocoa or chocolate stains in soapy water; if the stain doesn't come out use a mild bleach. Naturally this treatment is only for removing these stains from washable fabrics.

THE Wyckoff SHOPPER

Katherine Mahon was so insistent that ANYONE can wear Helena Rubinstein's new shade of Gauguin Pink. I finally succumbed and tried it. I was positive that such a light lipstick wasn't for me, but now I'm not so sure. My family likes it and so do I. According to Katherine, who remains with us until Friday evening, we'll all be in the pink of condition this sunny season, and pretty as garden pinks. Gauguin Pink is, of course, named for the artist whose great love story is told in Somerset Maugham's "The Moon and Sixpence." It is a Tahitian color, just as the new Rubinstein fragrance "Noa Noa" is of Tahitian origin. . . . My Hosiery, our very brilliant knitting instructor, shows me a card just received from Molly (Mrs. Peter) Mender, now residing in Paris. Writing from the Hotel Prince, Mrs. Mender says, "Regards from Paris. The women here on the street and in the buses stare at my knitted clothes. We are having a wonderful time and thinking of you."

Yes, Wyckoff's has the famous Scandale girdle, designed in France. And France has a view of knitted clothes, at least partially created here at Wyckoff's. A truly fair exchange! . . . Belatedly a card arrives from Hannah Shupp, of our gift department, who spent part of her recent vacation viewing the abundant rose gardens of Hershey. Another card from Ocean Beach reports that Margaret Hunter, of our payroll department, is having a restful and pleasant holiday. . . . Mention of holidays reminds me of the long holiday weekend just ahead. How do you plan to spend yours? I personally find nothing more pleasing than a good book, and this, I'm sure, meets with Florence Froedemore's approval. The fact is, Florence would probably prefer seeing everyone read over the holiday than do almost anything else except catch up on their correspondence. If you mention the 4th to Marion Leedom of our gift department, she's certain to say, "Every family should have one of our big lazy Susans and a few trays to make entertaining easy." On the other hand, Dolly Erdman is luggage minded, particularly now when she has such a splendid line of half-price merchandise. Any Eilenberger is a basket promoter, and points to all shapes and sizes of woven aids to easier living. She also feels that working needlepoint, knitting or embroidery is conducive relaxation. . . . Mary Hitesman suggests fitted picnic baskets for a light-n-easy holiday, or plastic dishes with grooved cups that stay easily in place. Tall iced drink glasses, thermo food containers, and the like are additional pieces of the jigsaw that makes for an easy-going weekend. Anna Haller, I'm sure, would suggest insect sprays, lamps, and candles for those taking to the woods, and Pearl Walter of our cosmetic department would stress sun lotions. To our Beauty Salon a holiday is the signal for a new permanent or, at least, a set and manicure. And to our men's and women's fashion departments, any day means looking your best in the right type of clothes — dresses for easy, pretty afternoons and evenings, shorts or slacks for sports or sunning, swim wear for the pool or surf. What does the fourth mean to you? In a measure I suppose this depends upon whatever it is you do for a living.

Low Bid Of \$1,388,573 Is Received On Turnpike Job

BIDS FOR THE second stretch of construction on the Northeastern Turnpike Extension were received yesterday by the State Turnpike Commission.

Unofficial low bid on the 2.5-mile project in Lehigh County was \$1,388,573, from John Herbert Swanger, Inc., of Lancaster. The construction in Lower Macungie Township, will include grading, drainage and paving work.

Second unofficial lowest bidder was Central Pennsylvania Quarry, Stripping and Construction Co., Hazleton, at \$1,419,726. Third lowest bid, for \$1,469,237, was submitted by H. J. Williams Co. Inc., York, Pa. There was a total of 11 bids.

THE FIRST piece of construction on the 110-mile Northeastern Extension was in Carbon County. A three-mile section was begun there in order to complete a bridge across the Lehigh River. The bridge would be needed in the sparsely-settled and inaccessible

area in order to move heavy equipment and supplies for the remainder of the turnpike construction.

A commission spokesman said it would be several weeks before officials finished checking the bids and were able to award the contract for the second stretch.

Lumbermen Rally To Down HOH

Five runs in the last two innings enabled Cramer's Lumber to score a thrilling 6-5 victory over Heller-Owen-Howell in an East Stroudsburg Little League baseball game last night. The contest was held on the circuit's official field.

The Lumbermen opened with one run in the first inning, but HOH appeared to be on its way to victory by tying the count in the

Dymond homered in the third with two mates on base for HOH. Today's schedule sends the Methodists against HOH on the same field, at 6:30 p. m. This game was originally slated for Monday, but was postponed by rain at that time.

East Stroudsburg Little League will hold a Tag Day beginning at noon today and running until 2 p. m. tomorrow. All players are asked to report in uniform at Paul Lloyd's store today, at 11 a. m.

Rookie, Musial Pace Cardinals

Milwaukee (AP)—Rookie Joe Cunningham and Stan Musial blasted two home runs apiece yesterday as the St. Louis Cardinals whipped the Milwaukee Braves, 9-2, but lost the services temporarily of ace lefthander Harvey Haddix who was carried from the field on a stretcher in the fourth inning with an injured leg.

Haddix, top winner in the National League with a 12-4 record, was hit just below the kneecap by a line drive off Joe Adcock's bat in the fourth. His injury was thought at first to be a fracture, but X-rays showed only abrasions and contusions. He was expected to be out of action for perhaps 10 days.

Second Game
Cunningham, playing in his second major league game after being called up from the Cards' Rochester, N. Y. farm Wednesday, got both his homers off veteran lefthander Warren Spahn in his first two times at bat, driving in four runs. He made his debut Wednesday night at Cincinnati with his initial homer and a single to bat in five runs.

The two homers by Musial, his 25th and 26th, moved him out in front again in the major league four-base derby and his three runs batted in gave him 76, tops in both leagues. His first came off Spahn and his second off reliever Ernie Johnson.

Hamlin Edges Newfoundland In Junior League Action, 3-2

Hamlin—Newfoundland's Cubs went down to their second Wayne County Junior League defeat in four outings here last night when the Hamlin contingent scored a 3-2 victory.

The Cubs were forced to play without their star pitcher, Bob Lupcho, who is hospitalized following a tonsillectomy.

Don Olsonmer and Dave Meyer divided the mound assignment for the visiting Cubs, with the former being charged with the loss. Don Santiso and Howard Bird split the mound assignment for Hamlin.

Winner
Bird hurled three and one-third innings of relief ball, giving up two hits, hitting three batters with pitches, walking five and retiring nine batters on strikes. He was credited with the victory.

Colonial Diner Wins Over Security Trust

Six runs in the home half of the third inning carried Colonial Diner to a 9-8 baseball verdict over Security Trust in a Stroudsburg Little League game played last night. The contest was held on the circuit's official field.

*Security held a 5-0 lead before Colonial Diner found the range for its big inning by scoring one run in the first, two in the second and

Giants Stretch Lead Over Dodgers To Four Games, 5-2

By Joe Reichler

New York (AP)—Jim "Dusty" Rhodes, pinch hitter extraordinaire, came through in his specialty for the second time in three days, binging a bases-loaded single in the eighth inning to snap a 2-2 tie and give the New York Giants a 5-2 victory yesterday for a sweep of the three-game series with the Brooklyn Dodgers.

It was the seventh straight victory for the Giants and stretched their lead over the second place Dodgers to four games.

Both the victory skien and the lead were the biggest enjoyed by the Giants this season. It also was the Giants' 25th triumph in their last 29 games.

Rhodes' game-winning hit was practically a carbon copy of the one he made in the 13th inning Tuesday night to beat the Dodgers. That, too, was a sharp ground single into right center field between "Junior" Gilliam and second base.

Right-hander Ruben Gomez was breezing along on a 2-0 lead until two out in the seventh when Roy

Campanella and Carl Furillo upset his equilibrium by smashing back-to-back home runs to tie the score at 2-2.

"Whitey" Lockman opened the Giant eighth with a single. "Hank" Thompson dropped a sacrifice bunt in front of the plate and when Campanella threw wildly in an attempt to nail Lockman at second, "Whitey" reached third and Thompson second. Strategy necessitated an intentional base on balls to Don Mueller that loaded the bases.

The Giants' winning drive was halted temporarily when Billy Cox grabbed Willie Mays' sharp grounder and threw to the plate to nip Lockman. Manager Leo Durocher, however, surprised the crowd of 21,560 by sending Rhodes up to the plate to hit for the slumping Monte Irvin. Just as in Tuesday's game, the first two pitches to the lefthanded pinch-hitter were strikes before he connected. It was Rhodes' 10th pinch hit in 24 times at bat for a .417 batting average. A fly brought in Mays with the final run.

Yankees Use Quick Start To Sink Bosox

Boston (AP)—Yankee home run bats wielded by Mickey Mantle, "Hank" Bauer and Andy Carey produced five runs in the third inning yesterday and the New Yorkers hung on to win an 8-7 decision over the Boston Red Sox.

After Allie Reynolds and Bob Grim had been treated roughly by the ever-threatening Red Sox for the first six frames, Johnny Sain stifled the Boston bats with only a single hit.

Clinchers
The Yankees teed off on Boston's six-foot, seven inch starter Frank Sullivan in the very first inning when singles by Gil McDougald, Joe Collins and Mantle and an infield out produced two runs.

In the clinching third-inning rally, Collins walked and Mantle poked his 15th homer of the season—his ninth against the Red Sox—into the Boston bullpen in right field.

Worthington Bows To Eagles

Worthington Mower was knocked from the undefeated ranks in the Monroe County Softball League last night as the Eagles scored a 6-5 win at Gordon Giffels field. The game was played under the lights.

The Eagles piled up a 6-1 advantage against the previously undefeated Worthington Mower club and then held on as the league leaders tried desperately to snatch victory from the air with a late rally.

Three runs in the sixth and one in the seventh failed to change the complexion of the contest for Worthington Mower.

Jews To Mark 300th Year In America

By George Cornell
NEW YORK (AP) — A special gratitude, determination and pride today comes from Americans of Jewish faith.
The gratitude is for the rewards of living in a free country; the pride is for having helped make it that way; the determination is to keep and toughen the ideal.
In hundreds of cities, like Boston, Savannah, Dayton, Dallas, Denver, San Francisco, extensive preparations are going on to sound these sentiments in a unique nationwide celebration to last nearly 300 days. Its purpose is to observe the 300th anniversary of the first Jewish settlement in this country.

THE OCCASION, said a ten-year committee of 300 Jewish leaders, is "an important milestone... a kind of spiritual birthday party for the Jews of America."
In advance of the formal opening Sept. 12, there has been a whirl of activity, projects and planning on the central theme: "Man's Opportunities and Responsibilities Under Freedom."

Various government officials have issued special messages. Exhibits are being assembled in many cities. Other exhibits will tour the country.

ESSAY CONTESTS are being held for students.

Program plans include concerts, pageants, banquets, seminars, meetings and an array of productions between now and the end of the observance in May 1955.

All this is to celebrate, in effect, the growth of a nation and the part Jews have played in it from the time 23 of them trudged ashore from a French barque in early-colonial New York in 1654.

Since then, the Jewish citizenry in America has grown to five million, and members of that faith have etched their role in the nation's history, its wars, its pioneering into the West, its science, art and culture.

A BAKED GOODS sale will be held by Pocono Union Sunday School Saturday morning, July 3, at 10 at Metzgar's Nu-Way Market. Those donating baked goods are asked to take them directly to the store. If unable to do so, they are asked to call any of the officers or teachers by Friday night.

Mr. and Mrs. Richard Post and sons Bobby and Jimmy have returned home after taking a two week trip to Little Rock, Ark., where they visited Mrs. Post's parents, Mr. and Mrs. B. H. Johnson.

Mr. and Mrs. Norman Whitmore and children Ronnie, David and Diane, of New Palz, N. Y., spent the weekend here with Mrs. Whitmore's parents, Mr. and Mrs. Lewis Tucker.

Both Sunday School and the worship service were well attended in Pocono Union Church Sunday. During the Sunday School session the birthday of Bobby Post was celebrated. Toys and games, having been donated from the Keekee Willing Workers bazaar surplus, were distributed to the children as an incentive to good conduct and attendance. Holy Communion was observed during the worship service. After the service friends greeted Mrs. J. W. Straub, of Hollis, N. Y., on her return to her Henryville summer home. During the summer months Mrs. Straub has charge of the Sunday School.

Bangor Man Dies Enroute To Hospital

BANGOR—Funeral services will be held here at 2 p. m. tomorrow for a 41-year-old local man who died Wednesday night in a Blue Valley ambulance enroute to East-on Hospital.

Alfred Ballard Snoddy, father of four daughters, was stricken in the office of Dr. Benjamin Falcone and succumbed at 8:15 p. m.

Son of Thomas Snoddy of Bangor and the late Maude Snoddy, he was a lifelong resident of this community. Mr. Snoddy was employed by J & J Textile Co., East Stroudsburg. For many years he was associated with Julius Kayser & Co. as a knitter. He was a member of Salem Evangelical United Brethren Church.

IN ADDITION to his father he is survived by his wife, the former Hilda Hahn; four daughters, Diane, Wanda, Robbin and Karen, all at home; seven sisters, Mrs. Harry Hupper of Easton; Mrs. Viola Snyder, of Phillipsburg, N. J.; Mrs. Humphrey Davies, of Wind Gap; Mrs. John Bruch, of Pen Argyl RD 1; Mrs. Harold Parry, of Phillipsburg; Mrs. Rollo Strauss, of Meyers Crossing and Mrs. Harry LaBarre, of N. Bangor. Also three brothers, Melvin and Marvin, both of here, and Rev. B. Ellsworth Snoddy, of Sharon Hill.

Christ May Return Soon, Unruh Warns

ALLENTOWN — Eastern Pennsylvania Seventh-Day Adventists, in a climax to the opening session of the 44th annual camp meeting at nearby Westcosville, last night were told to hold themselves ready for an imminent return of Christ to the earth.

Speaking to a large opening group at the church's assembly grounds in Emmanuel Grove, T. Edgar Unruh, president of the East Pennsylvania Conference of Adventists, deplored "the lack of spiritual realities in the Christian world."

"The time of Christ's coming is at hand," the president declared. "Virtually all of the prophecies concerning his return are fulfilled." He urged his audience to "live in a state of expectancy—ready and watching for the event."

Continuing Unruh declared, "A danger confronting Christians today is not in repudiation of spiritual things but the neglect of them. No man is rejected by God because of sin, but because one does not adopt the remedy for sin. God has unlimited power and can help man to become ready for the second advent of Christ."

Better Understanding Between U.S. Young People And Those Abroad Aim Of Youth Caravan

James H. Ottaway Jr. is a son of Mr. and Mrs. James H. Ottaway, of Endicott, N. Y., and Buck Hill Falls, Pa., publishers of the Daily Record. He is one of 15 young people in the Christian Youth Caravan who will visit England, France, Greece, Israel, Jordan, Egypt, Italy and the Netherlands. Purpose of the Christian Youth Caravan is to create better understanding between the United States and the people of the countries visited, especially the youth.

By James H. Ottaway Jr.

ARCHWAY CENTRAL HALL, HIGGATE, N. LONDON, ENGLAND, June 26—It is now 4 p. m. (London time) and we have finally come to rest on good old Mother Earth after 16 hours of flying time from New York to London Airport. Our flight was an interesting one. Our Royal Dutch Airlines (KLM) DC-4 left International Airport on Long Island at 12:30 p. m. (Friday, June 25) after a delay of 30 minutes caused by a leaky air conditioning system. Many family members waved good-bye as 27 Christian

Ottaway

he waved good-bye as 27 Christian Friendship Caravaners started on their way to Europe. Rev. William Lyons, Morris, N. Y., with 12 other boys and girls, is on his way to tour England. Rev. Samuel Little and Rev. George Capetanios, Endicott, N. Y., are leading a caravan to Greece and the Middle East. I am a member of Rev. Little's group.

The very pleasant Dutch stewards gave us chewing gum to help our ears, and later on in the afternoon, drinks were also served. Our two groups soon became interested in the ground 7,000 feet below and the people next to them. Some of us settled down to catch up on sleep lost during the previous hours of anticipation. Others joked and sang songs.

THERE was a professor of English at California University sitting near me who was traveling to Italy to do research on a book he is about to write. John, the professor, turned out to be a lovely companion and led singing until all hours of the night.

Our first and only stop was Gander, Newfoundland. It was miles from nowhere in a flat pine-covered semi-wasteland. We had supper from 6:30 to 8 when we took off again for London—10 hours, non-stop.

We all settled down for a long night's rest. Some found it, I did not. After turning around a thousand times and trying every sleep method known to man, I finally gave up all attempts at sleep as the sun rose to the East and a little north of our plane.

IN A FEW hours we were over the west coast of England and soon put down at London Airport.

Here for the first but not the last time, we went through customs and were asked whether we had any cigarettes or presents to be left in England. We went by bus to Sloane St. W. London and then by bus again to this Methodist church in Higgate, N. London.

Our entire week is planned to show us the most important places in London. Mr. John Lilly of this church has taken our entire group under his wing and given us room to sleep in while we are here.

DAVID LILLY, Jeff Stewart and Brian Oakley are showing us around our immediate surroundings. It is a wonderful experience to get accustomed to their accent and compare coins, money and ideas.

I will tell you more later about our travels here in London and the interesting things that we will see and do.

PRIMER FOR AMERICANS

COPYRIGHT 1950.
EDWARD E. LARSON

You live in the United States of America. You are an American.

Real Americans like their country. They are proud of it. They think it is a good place to live. And they want to keep it good—to keep it getting better and better all the time.

Why is America the way it is? What makes it a good place to live? The answer is simply this:

Throughout our history most Americans have believed that every person has certain *rights* and *duties* and *responsibilities*.

Americans have believed that there are certain things that people *should* do, and other things they *should not* do.

They have also believed in certain things that people *are*, and *are not*.

These things that people believe are called *principles*. This book is an attempt to state the Principles of America in simple, primer fashion so that you can understand them, learn them, and remember them.

This is important. It was because earlier Americans believed in these principles and guided their lives by them, that America has grown to be the good place it is.

If all of us learn and remember these principles—if we also guide our lives by them—then we can help to keep America growing better, and better, and better.

And if we follow these Principles of America, we can help make the world a better place to live in, too.

The Principles of America are these...

1. Each Person is of Importance and Value as an Individual.

This is the cornerstone... the foundation of all our other beliefs in a person's right to live his own life, to speak for himself, to choose and change his leaders.

From it comes our hatred of those "isms" under which the individual has no value or importance as a person, but is only one of many unimportant people who have to live the way their leaders tell them to.

Coming directly from that first principle are two other principles that are also part of the foundation of Americanism.

2. We Believe that All Men should Enjoy Personal Freedom.

3. We Believe that All Men are Created Equal.

It is worth noting that the Declaration of Independence expressed the belief that "all men are created equal." It did not state or imply a belief that men develop equally or have equal ability, or that they should ever be forced to an exact equality of thought, speech or material possessions.

That would be equality without freedom. Americans have always believed the two should go together.

From the days of the Declaration of Independence and the writing of the Constitution, Americans have known that even though Life, Liberty, and other unalienable rights are granted to man by his Creator, they require some protection by man himself.

So, in our Constitution, and in other laws of our land, there are set down principles to protect the rights and freedoms and equality of individuals. And these principles play an important part in keeping America a good place in which to live.

4. The Right to Freedom of Speech.

This includes freedom of the press, of radio, of motion pictures, of every means by which man may express his thoughts on any subject.

5. The Right to Freedom of Assembly.

As we believe in the right of individual action, so we believe that individuals should be free to act together for the benefit of all. This is Democracy.

6. The Right to Freedom of Worship.

Not only is the individual free to worship as he will, but religions themselves are free and equal... regardless of their size or their beliefs.

7. The Right to Security of Person and Property.

Not just one, but three Amendments to the Constitution (4th, 5th and 14th) protect against illegal search and seizure, or loss of life, liberty, or property, without "due process of law."

8. The Right to Equal Protection before the Law.

As individuals are equally important, so laws must apply equally to all, without special privileges for any particular individuals or groups.

9. The Right to Freedom from Slavery.

This includes "the right to quit," for no individual may be forced to work for another.

10. The Right to Petition the Government.

The legally guaranteed right of the individual to "petition the government for redress of grievances" is evidence of the American belief that government is the servant, not the master, of the people.

11. The Right to Vote for people of your choice.

This is the individual's most potent weapon in the protection of his rights and freedoms... a weapon that to be effective must be constantly and wisely used.

The Principles of America hold that every man has...

12. The Right to a Good Education.

13. The Right to Live where he pleases.

14. The Right to Work where he wants to.

15. The Right to Join and Belong to an Organization.

16. The Right to Own Property.

17. The Right to Start his Own Business.

18. The Right to Manage his Own Affairs.

19. The Right to Make a Profit or to Fail, depending on his Own Ability.

There are other, similar rights of individual action which are Principles of America, but all of these individual rights may be combined in these two broad principles...

20. Every Man is entitled to Freedom and Equality of Opportunity.

21. Every Man may Earn his Living When, Where, and How he wants to.

There are also Limiting Principles...

Principles of individual freedom sometimes clash with those of individual equality. Therefore our rights as individuals must be limited, and those limitations are themselves principles.

22. The Rights of any Individual shall not Interfere with the Equal Rights of Other Individuals.

Your right to swing your arms stops where the other fellow's nose starts.

23. The Rights of any Individual shall not Interfere with the Welfare of the People as a Whole.

Freedom of speech does not give the individual the right to shout "fire" in a crowded theatre.

24. Every Individual owes Obedience to the Laws under which he Lives.

The individual has the right to talk against a law, to work and vote to change that law, but NOT to disobey that law.

Principles that are Patterns of Behavior...

Many of our principles of individual freedom and equality are guaranteed to us by law.

But we have other beliefs, other general rules of action and conduct that have grown to the status of principles. They have stood the test of time. They have worked. They have become a basic part of the way we live and of the way we look at things.

These principles, too, are foundations of Americanism. They are as true, if not more true, today than they were in 1850 or in 1750.

If America stays free, they will still hold true in 2050.

25. Every Man shall be Judged by his Own Record.

A man's family background, his race or his religion, is not as important as what that man himself can do, for Americans believe a man must stand on his own feet.

26. Every Man is Free to Achieve as much as he can.

We believe that where any boy may become President, where any man may achieve greatness, there is the greatest incentive for every man to do his best.

27. To Achieve anything, a Man should be Willing to Work.

Americans have always known that "you don't get something for nothing," that to get anything takes a willingness to work and to work hard.

28. Achievement also Depends upon the Ability to do a Good Job.

Add to "willingness to work" the ability to produce results and the combination is the basis for most individual achievement in our country.

29. Every Man has the Right to a Fair Share of the Results of his Work and his Ability.

Because of this belief, America has not only produced more goods, but they have been more fairly and more widely shared by more people than in any other country.

30. Security is the Ability of a Man to Provide for himself.

The only true security for any individual is the opportunity, the ability, and the determination to work and plan and save for his own present and future. Self-reliance is vital to individual independence and personal freedom. No man can be "proud and free" who depends on others for his security.

31. When an Individual cannot Provide his own Security, the Responsibility should be Assumed by Others.

We believe that no one should starve, or be without adequate clothing and shelter, so those who have more than their basic needs share the responsibility of providing the essentials of security for those who need help.

Printed as a Public Service by

The Daily Record

32. Every Individual must Deal Fairly with other Individuals.

Honesty, fairness, and personal integrity are virtues that help free and independent individuals get along with each other without losing their independence.

33. Fair and Free Competition is a Good Thing.

Americans have always believed that competition among individuals or groups encourages greater effort which in turn brings greater benefits to all.

34. Cooperation among Individuals is Vitrally Important.

PRESIDENT EISENHOWER has said: "The freedom to compete vigorously accompanied by a readiness to cooperate wholeheartedly for the performance of community and national functions, together make our system the most productive on earth."

Principles of Individual Responsibility...

Freedom for individuals carries with it an equal responsibility to use that freedom wisely. Therefore, if we wish to remain free, we must faithfully fulfill our responsibilities as free men.

35. The Individual is Responsible for himself and his Family.

He must protect them and provide for their present and future well-being.

36. The Individual has Responsibilities to the Groups of which he is a Part.

He must give of his best to his community, his church, his employer, his union, and to every group in which individuals cooperate for their mutual benefit.

37. The Individual has Responsibilities to his Country.

He must be an active citizen, interesting himself in local, state, and national government, voting wisely, thinking and speaking and acting to preserve and strengthen freedom, equality and opportunity for every individual.

38. The Individual has Responsibilities to the World.

Man's horizons have expanded. What happens in the world affects him, and his actions can affect the world. Today, therefore, each man has a responsibility to act—and to encourage his country to act—so that freedom and cooperation will be encouraged among the people and the nations of the world.

For America's Future

Most of us are still confident of ourselves and of our country. We do not claim perfection. But we have faith in our ability to move forward, to improve, to grow, to provide more and more individuals with more and more of everything they want and need in life...

If we, the people of the United States, want to have more material benefits, we must believe in and follow these two principles:

39. The only way we can Have More is to Produce More; and

40. As we Produce More, we must make it possible for More and More People to Enjoy that which we Produce.

If we, the people of the United States, want to have a better life, spiritually as well as materially...

41. We must stand firmly for our Beliefs, our Rights, our Principles.

WALT WHITMAN, writing nearly 100 years ago, put it this way:

"There is no week, nor day, nor hour when tyranny may not enter upon this country if the people lose their supreme confidence in themselves..."

There are those who would chip away our confidence so that their special brand of tyranny might creep into America. They must not succeed. So, let us ask of every plan, or act, or idea...

Is it With or Against the Principles of America?
